4. WARRANTIES IN RELATION TO OUR AUCTION PRODUCTS AND YOUR ACKNOWLEDGEMENT

We warrant that:

- we have good title to the Lot(s) listed for sale by auction on our site;
- our site listings/descriptions for Lots are accurate from the information provided or available to us;
- all Lots are free of any encumbrances, security, financial incumbents, reservations of title or any other lien.

Save for the above warranties, we do not offer any further representations or warranties in relation to the Lots.

You agree and acknowledge that:

- the sale is a sale by auction;
- the Lots are intended for use only in the UK. We do not warrant that the Lots comply with the laws, regulations or standards outside the UK;
- unless otherwise stated, all Lots are not new and are second hand or previously owned;
- unless otherwise stated, no Lot has been repaired, serviced or inspected;
- all Lots are "sold as seen" with any faults and imperfections and errors of description and accordingly we do not give any warranty that any Lot is fit for purpose, in working order, fault or defect free or has been maintained or serviced;
- you should satisfy yourself prior to bidding as to the origin, description, suitability, age, durability, completeness, operability, state and condition of the Lot(s);
- you are entitled, subject to our prior agreement, to inspect the Lot(s) before the auction ends. The depot at which each Lot is stored can be found on the specific Lot page on our site;
- you should exercise and rely on your own judgment as to whether the Lot(s) is fit for the purpose you require.

All warranties and representations implied or imposed by trade, custom, practice, statute, legislation or common law are excluded to the fullest extent permitted by law. You further acknowledge that you have not relied upon any representation or warranty made to you by us, our employees or agents in relation to the Lot(s) unless such representation or warranty has been confirmed in writing prior to auction.

5. BIDDING PROCESS

YOUR BID IS BINDING. IF YOU DON'T INTEND TO BE BOUND BY YOUR BID, PLEASE DO NOT PLACE A BID. IF ACCEPTED, YOUR BID WILL FORM THE BASIS OF A BINDING AGREEMENT WITH US WHICH WILL CONTAIN THESE TERMS WITHIN IT.

Before the auction commences, you accept that the auction is conducted online and you acknowledge that we will not be liable for any loss you may suffer if our site fails or if you lose internet connection howsoever caused.

We grant you access to our site to place bids on Lot(s) listed for sale by auction and full instructions on how to place a bid and details of the expiry date and time of each auction will be posted on our side but all bids and transactions will be subject to these Terms and Conditions.

A listing does not constitute an offer and any listing may be withdrawn at any time with immediate effect.

We will specify the time that any auction closes with respect to the Lot(s).

We may in our absolute discretion and without providing a reason:

- limit or restrict who can place a bid;
- refuse to admit any person to the bidding process;
- update the description of the Lots at any time;
- remove Lots from the auction and sell them privately;
- refuse to accept/or may reject a bid at any time prior to the formation of the Contract;
- set a reserve price for the Lot(s).

Once you have placed a bid on the Lot(s), you acknowledge that the bid may not be withdrawn and if your bid is successful, it is a legally binding commitment to purchase the Lot(s).

6. WE MAY REJECT YOUR BID

If we specify a reserve for any of the Lot(s) listed for auction, we will not accept a bid that is lower than that reserve. Any bid accepted lower than the reserve may be due to a technical fault and will be invalid. We will not be deemed to have accepted a bid that is lower than the reserve on the basis of an error and mistake.

Where an accepted bid is shown to be due to a technical error or where it would be reasonably obvious that it was an error (if, for example, we list a Lot at £200,000 which has a bid accepted at £20), that bid will be null and void and not binding on us.

If the reserve has not been met or exceeded, no sale will be completed, although we may, at our discretion, approach customers directly and invite offers.

7. SUCCESSFUL BIDS

To be the successful bid, your bid must be the highest bid before the auction closes and must meet any other conditions which may be specific to each Lot. If any additional conditions apply, they will be published on our site alongside the description of the Lot prior to the commencement of each auction.

If your bid is the highest when the auction closes (and meets any other conditions), your bid is deemed accepted by us, a contract between you and us (our Contract) will be made and you will be committed to purchase the Lot(s) in accordance with these Terms and Conditions at the value of the bid.

We reserve the right to refuse or remove bids and/or suspend, cancel or extend auctions at our absolute discretion, including where there are or have been obvious typographical or arithmetical inaccuracies or technical issues.

If your bid is successful, we will contact you by email to confirm that. You must contact us within one working day of the auction closing to arrange payment and collection in accordance with these Terms and Conditions. We reserve the right to re-list the Lot(s) if you do not do so and/or we may seek to enforce the Contract.

You are responsible for obtaining all certificates, permits or other authorisations necessary before any machinery you have purchased via auction can be used on any road or elsewhere, and you are responsible for all legal requirements in relation to use and maintenance of the machinery.

8. BIDDING ON BEHALF OF ANOTHER

Unless you have notified us in advance of placing a bid and we have acknowledged in writing that you bid as agent on behalf of another, you will be taken to bid on your own behalf as principal.

If we have previously acknowledged in writing that you will bid on behalf of another, you warrant that you have the authority of that person to make each bid you make.

If you act as agent on behalf another, you will remain liable to us for all obligations and liabilities of that person jointly and severally with that person.

9. AGE RESTRICTED PRODUCTS

Some of the Lots available on our site are age-restricted and must not be purchased by or for individuals below the legally required age to purchase such Lot(s). Any age-restricted goods will be clearly described as such on the relevant Lot page on our site (and the specifications, if relevant). It is an offence to attempt to buy age-restricted goods if you are under the required age or to attempt to purchase any such product on behalf of an underage third party.

By placing a bid on the Lot(s), you confirm that you are of the appropriate age and will be the person to receive and use the specified certification of the Lot(s) so bid on. If you are bidding on a Lot for a third party, you hereby certify that the intended potential buyer is of the appropriate age to receive and use the goods bid on.

We reserve the right not to accept the highest bid of any age-restricted goods where it reasonably believes that a buyer or any intended third-party buyer is below the relevant minimum age.

Proof of age verification will be requested on collection of age restricted goods. Where evidence cannot be provided that the recipient is over the age of 18, or where we are not satisfied that we have been provided with acceptable identification, the age-restricted goods will not be handed over.

We will retain records of due diligence, including all age verification information for six years and will permanently destroy the document at the end of the six-year retention period, unless we are required by law to retain such information for longer than six years.

10. PRICES

The price of the Lots will be the successful bid price, plus the buyer premium as indicated on the specific Lot page on our site, plus any VAT due and any export duties or taxes. Please be aware that the price of the Lot(s) does not cover any transport or insurance costs, and such costs will be at your cost and expense.

We will charge applicable VAT at the current rate as at the date of the auction.

11. PAYMENT

Within one working day of the auction closing, you must contact us by email at auction@cornthwaitegroup.com to arrange payment and, if you have not already done so, provide us with proof of identity (if required).

We will send you an invoice, which will contain our bank details. Payment of the invoice will be due within 1 working day of us sending you the invoice. You must pay invoices in full before collecting the Lot(s). If you do not make payment in full, we have the absolute right to cancel the Contract and you will not be entitled to claim any damages for loss.

You should make payment in full and cleared funds in pound sterling to our account, the details of which will be in the invoice we send you. Please be aware that we do not accept payments in cash.

12. COLLECTION

Within one working day of the auction closing, you must contact us by email at auction@cornthwaitegroup.com to arrange for collection of the Lot(s) from our premises.

You must collect the Lot(s) within 7 working days of the auction closing, provided we have received full and clear payment for the Lot(s).

By arrangement, we may agree to collection at a later date, but this is always subject to receiving payment in full within the required timescales before the Lot(s) are collected. Please be aware we reserve the right to impose a storage charge if you do not collect the Lot within 7 working days of the auction closing and we will let you how much the storage charge will cost per day.

13. WE CAN END OUR CONTRACT WITH YOU

We can end our Contract with you for a Lot and claim any compensation due to us (including enforcement costs) if:

- you don't make any payment to us when it's due and you still don't make payment within 1 working day of our reminding you that payment is due;
- you don't, within a reasonable time of us asking for it, provide us with information, cooperation or access that we need to provide the Lot, for example, proof of identity (if we need it); or
- you don't collect the Lot(s) from us within 7 working days of the auction closing (unless we have agreed to collection at a later date), in which case we will treat the bid as lapsed and relist the Lot(s) for auction, and if you have already paid, we will refund you the full purchase price.

We reserve the right to suspend your account on our site if we end our Contract with you.

14. RETURNS AND CANCELLATION POLICY

If you are contracting with us as a consumer (rather than as a business), you may cancel a Contract at any time up to 14 calendar days starting on the day after the day on which you collect the Lot(s). Provided you comply with these Terms and Conditions and take reasonable care of the Lots, you will receive a full refund of the price paid for the Lot(s) in accordance with our returns policy (set out in below).

To cancel a Contract, you must inform us by sending an email to auction@cornthwaitegroup.com. When emailing us about cancelling a Contract please include details of the Contract to help us identify

it, including the invoice number and product description, full name and address. We will contact you to confirm we have received your cancellation.

The Lot(s) must be returned to us at your own risk. You will arrange for the Lot(s) to be returned to us, at an address confirmed by us via email, at your own cost.

You have a legal obligation to take reasonable care of the Lot(s) while they are in your possession. If you fail to comply with this obligation, we may have a right of action against you for compensation. You will be liable for the cost of any reduction in the value of the Lot(s) that was caused due to not taking reasonable care of them. Following the delivery of the Lot(s) to us, we will check that reasonable care has been taken of the Lot(s).

Subject to our being satisfied that reasonable care has been taken of the Lot(s), we will process the refund to you as soon as possible, and, in any case, within 14 days following the day on which we receive the Lot(s) back. In these circumstances, we will refund the price of Lot(s) in full.

If you have cancelled the Contract and the Lot(s) have not been collected, then we will process the refund due to you as soon as possible and, in any case, within 14 days of the day following the day on which you gave us notice of cancellation of the Contract.

15. RISK AND TITLE

The Lots will be at your risk from the time you load the Lot to a transporter, or the Lots are collected by any driver, even if you have given us notice that you wish to cancel the Contract. You should ensure you have arranged for the appropriate insurance for the Lots from such point in time.

Ownership of the Lots will only pass to you once we have received payment in full (in cleared funds) for the Lots you have purchased.

16. EXPORT CONDITIONS

HMRC will enforce standard VAT (at the prevailing rate) on all purchases made in the UK until adequate proof of Lots being exported is provided. Adequate proof is detailed from HMRC as below:

It is not our responsibility to keep the above guidance up to date or accurate. It is provided purely to assist you, but you may not place any reliance upon it and we will have no liability for such guidance.

It is a condition of sale that where Lots are to be exported the buyer must complete, sign and return the CRM provided by us with detailed proof of shipping. We will not be responsible for any delays, costs or problems caused by you not providing the required information.

- 4.3.5.3 is fault or defect free; or
- 4.3.5.4 has been maintained or serviced.
- 4.3.6 Users should satisfy themselves prior to bidding as to the origin, description, suitability, age, durability, completeness, operability, state and condition of the Auction Machine(s).
- 4.3.7 Users are entitled, subject to prior agreement with the Auctioneer, to inspect the Lot(s) before the Auction ends. The depot in which each Lot is stored can be found on the specific Lot page on the Website;
- 4.3.8 Bidders should exercise and rely on their own judgment as to whether the Auction Machine(s) is fit for the purpose required by the Bidders.
- 4.4 All warranties or representations implied or imposed by trade, custom, practice, statute, legislation or common law are excluded to the fullest extent permitted by law. You further acknowledge that you have not relied upon any representation or warranty made to you by the Auctioneer, its employees or agents in relation to the Lot(s) unless such representation or warranty has been confirmed in writing prior to auction.

5. AGE RESTRICTED GOODS AND DUE DILIGENCE

- 5.1 Some of the Lots available on the Website are age-restricted and must not be purchased by or for individuals below the legally required age to purchase such Lot(s). Any age-restricted goods will be clearly described as such on the relevant Lot page on the Website (and the specifications, if relevant). It is an offence to attempt to buy age-restricted goods if the Bidder is under the required age or to attempt to purchase any such product on behalf of an underage third party.
- 5.2 By placing a bid on the Lot(s), the Bidder confirms that they are of the appropriate age and will be the person to receive and use the specified certification of the Lot(s) so bid on. Any Bidder bidding on a Lot for a third party hereby certifies that the intended potential buyer is of the appropriate age to receive and use the goods bid on.
- 5.3 The Auctioneer reserves the right not to accept the highest Bid of any age-restricted goods where it reasonably believes that a Buyer or any intended third party buyer is below the relevant minimum age.
- 5.4 Proof of age verification will be requested on collection of age restricted goods. Where evidence cannot be provided that the recipient is over the age of 18, or where the Auctioneer is not satisfied that they have been provided with acceptable identification, the age-restricted goods will not be handed over.
- 5.5 The Auctioneer shall retain records of due diligence, including all age verification information for six years and shall permanently destroy the document at the end of the six-year retention period, unless the Auctioneer is required by law to retain such information for longer than six years.

6. LIMITATION OF LIABILITY

- 6.1 The Auctioneer has obtained insurance cover in respect of its own legal liability for individual claims not exceeding £10 million per claim. The limits and exclusions in this clause reflect the insurance cover the Auctioneer has been able to arrange and the User/Bidder/Buyer is responsible for making its own arrangements for the insurance of any excess loss.
- 6.2 References to liability in this clause 6 include every kind of liability arising under or in connection with the Agreement including but not limited to liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.
- 6.3 Nothing in the Contract limits any liability which cannot legally be limited, including liability for:
- 6.3.1 death or personal injury caused by negligence;
 - 6.3.2 fraud or fraudulent misrepresentation;
 - 6.3.3 breach of the terms implied by section 12 of the Sale of Goods Act 1979;
 - 6.3.4 any liability that legally cannot be limited.

6.4 Subject to clause 6.3, the Auctioneer's total liability to the Buyer shall not exceed the total purchase price paid by the Buyer to the Auctioneer for any Lot.

6.5 Subject to clause 6.3, the following types of loss are wholly excluded:

6.5.1 loss of profits.

6.5.2 loss of sales or business.

6.5.3 loss of agreements or contracts.

6.5.4 loss of anticipated savings.

6.5.5 loss of use or corruption of software, data or information.

6.5.6 loss of or damage to goodwill; and

6.5.7 indirect or consequential loss.

6.6 This clause 6 shall survive termination of the Contract.

7. BIDDING ON BEHALF OF ANOTHER

7.1 Unless the Auctioneer has previously acknowledged in writing that the Bidder bids as agent on behalf of a named principal, every Bidder shall be taken to bid on his own behalf as principal.

7.2 If the Auctioneer has previously acknowledged in writing that the Bidder bids as agent on behalf of a named principal, the Bidder warrants that he has the authority of his principal to make each bid he makes.

7.3 Any Bidder acting as agent on behalf of a named principal shall remain liable to the Auctioneer for all obligations and liabilities of his principal jointly and severally with the principal. The Bidder warrants that he has the authority of his principal to make each Bid made.

8. BIDDING PROCESS AND AGREEMENT FORMATION

8.1 YOUR BID IS BINDING. IF YOU DON'T INTEND TO BE BOUND BY YOUR BID, PLEASE DO NOT PLACE A BID. IF ACCEPTED, YOUR BID WILL FORM THE BASIS OF A BINDING AGREEMENT WITH THE AUCTIONEER WHICH WILL CONTAIN THESE TERMS WITHIN IT.

8.2 A Bidder is granted access to the Website by the Auctioneer to place Bids on Lot(s) listed for sale by auction.

8.3 Full instructions on how to place a Bid and details of the expiry date and time for each Auction will be posted on the Website but all bids and transactions will be subject to these Terms.

8.4 A listing does not constitute an offer, and any listing may be withdrawn at any time with immediate effect.

8.5 Once a Bidder has placed a Bid on the Lot(s), the Bidder acknowledges that the Bid may not be withdrawn and if successful is a legally binding commitment to purchase the Lot(s).

- 8.6 Where a Reserve is specified for a Lot(s), the Auctioneer will not accept a Bid that is lower than such Reserve. Any Bid accepted lower than a Reserve may be due to a technical fault and shall be invalid. The Auctioneer shall not be deemed to have accepted a Bid which is lower than a Reserve on the basis of error and mistake.
- 8.7 Where a Bid is accepted that is shown to be a technical error or would be reasonably obvious that it was an error (by way of example, a Lot listed at £200,000 has a Bid accepted at £20), that Bid shall be null and void and not binding on the parties.
- 8.8 Where a Reserve has not been met or exceeded, no sale shall be completed, although the Auctioneer may at its discretion approach a Buyer directly and invite offers.
- 8.9 To be the winning Bid, the Bidder's Bid must be the highest Bid before the Auction closes and must meet any other conditions which may be specific to each Lot. If additional conditions apply, they will be published alongside the description of the Lot prior to the commencement of each Auction.
- 8.10 The time that any Auction closes with respect to the Lot(s) will be specified.
- 8.11 If the Bidder's Bid is the highest when the Auction closes (and meets any other conditions), the Bidder's Bid is deemed accepted by the Auctioneer, an Agreement will come into force and the Buyer will be committed to purchase the Lot(s) in accordance with these Terms and the Agreement and at the value of the Bid.
- 8.12 The Auctioneer reserves the right to refuse or remove Bids and/or suspend, cancel or extend auctions at its absolute discretion, including where there are or have been obvious typographical or arithmetical inaccuracies or technical issues.
- 8.13 Successful Bids will be confirmed to the Buyer by the Auctioneer via email.
- 8.14 The Buyer must contact the Auctioneer within one Business Day of the Auction closing to arrange payment and collection in accordance with clauses 10 and 11. The Auctioneer reserves the right to re-list the Lot(s) where a Buyer does not do so and/or seek enforcement of the Agreement.
- 8.15 The Buyer is responsible for obtaining all certificates, permits or other authorisations necessary before the Auction Machine can be used on any road or elsewhere, and is responsible for all legal requirements in relation to use and maintenance of the Auction Machine.

9. AUCTION CONDUCT

- 9.1 Before the Auction commences, Bidders accept that the Auction is conducted online and the Auctioneer acknowledges that no Loss can be claimed if the Website fails or if the Bidder loses internet connection howsoever caused.
- 9.2 These terms are binding on the Users from the date the User completes the Account registration.

9.3 The Buyer may be required to provide valid photo identification (current passport or driving licence). The Auctioneer may refuse to accept a Bid if the Buyer fails to show identification when requested.

9.4 The Auctioneer may in its absolute discretion and without providing a reason:

9.4.1 limit or restrict who can place a bid;

9.4.2 refuse to admit any person to the bidding process;

9.4.3 update the description of the Lots at any time;

9.4.4 remove Lots from the Auction and sell by private treaty;

9.4.5 refuse to accept/or may reject a Bid at any time prior to the formation of the Contract;

9.4.6 set a reserve price for the Lot(s).

9.5 Invoices must be paid in full prior to collection of the Lot(s). In the event that payment is not made in full, the Auctioneer has the absolute right to cancel the Contract and the Buyer is not entitled to claim damages for Loss.

10. PRICE AND PAYMENT

10.1 In accordance with this clause 10, the Buyer will pay:

10.1.1 the Bid price;

10.1.2 the Buyer Premium as indicated on the specific Lot page on the Website;

10.1.3 any VAT due; and

10.1.4 any export duties or taxes.

10.2 The Buyer shall be liable for the payment of any applicable VAT and Buyer Premium due for a Lot.

10.3 The price of the Lot(s) does not cover any transport or insurance costs. All such costs shall be at the Buyer's cost and expense.

10.4 The Auctioneer will charge applicable VAT at the current rate at the date of the Auction.

10.5 Within one Business Day of the Auction closing, the Buyer must:

10.5.1 make contact with the Auctioneer at auctions@cornthwaitegroup.com to arrange payment; and

10.5.2 if not already provided to the Auctioneer's satisfaction, provide proof of identity (if required).

10.6 Payment of the invoice shall be due within one Business Day of the Auctioneer providing the invoice to the Buyer. The time for payment shall be of the essence of the Contract.

10.7 Payment shall be made in full and in cleared funds in pound sterling to the Auctioneer's bank account, the details of which shall be contained in the invoice provided to the Buyer by the Auctioneer.

10.8 Where payment is overdue, the Auctioneer shall be entitled to:

10.8.1 treat the Bid as having lapsed and relist the Lot(s); and/or

10.8.2 suspend the Account of the Buyer; and/or

10.8.3 charge interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause 10.8.3 will accrue each day at 4% a year above the Bank of England's base rate from time to time, but at 4% a year for any period when that base rate is below 0%; and/or

10.8.4 enforce the terms of the Agreement and seek all legal costs for doing so from the Buyer; and/or;

10.8.5 if relisted, charge the Buyer a relisting charge of 1% of the Buyer's Bid price per week for each week that it takes to re-sell the Lot, up to a maximum of 10%, to reflect the fact that:

10.8.5.1 the Buyer has not abided by these Terms;

10.8.5.2 the Buyer has deprived another legitimate buyer from purchasing the Lot(s);

10.8.5.3 the Auctioneer could have sold Lot(s) to another buyer and therefore the Buyer's default has caused a lost sale; and

10.8.5.4 the Auctioneer has had to incur additional costs to remarket and resell the Lot.

10.9 The parties agree that the charge in clause 10.8.5 reflects a genuine pre-estimate of the losses suffered by the Auctioneer if the Buyer defaults on payment and the Buyer has to relist the Auction Machine.

10.10 The Buyer shall have no right of set-off and all payments must be made in full without any deduction or set-off.

10.11 The Auctioneer does not accept payments in cash.

11. COLLECTION

11.1 Within one Business Day of the Auction closing, the Buyer must contact the Auctioneer at auction@cornthwaitegroup.com to arrange collection of the Lot(s) from the Auctioneer's premises.

11.2 Collection of the Lot(s) shall be made within 7 Business Days of the Auction closing, provided that the Auctioneer has received full and clear payment for the Lot(s) in accordance with clause 10.

11.3 By arrangement, the Auctioneer may agree to collection at a later date, but subject always to payment in full within the required timescales as set out in clause 10 before the Lot(s) is/are is collected. The Auctioneer reserves the right to impose a storage charge to do so.

12. HEALTH AND SAFETY

12.1 Although the Auctioneer takes reasonable precautions regarding health and safety, the User/Buyer enters the Auctioneer's premises at its own risk. Neither the Auctioneer nor any of its employees or agents are responsible for the safety of the User/Buyer or its property when visiting the Auctioneer's premises, unless the User/Buyer suffers any injury or damage to its property as a result of the Auctioneer's, its employees' or its agents' negligence.

13. TITLE AND RISK

13.1 The risk in the Lot(s) shall pass to the Buyer upon loading the Auction Machine to a transporter or the Lot is collected by any driver. The Buyer shall ensure that it has arranged for the appropriate insurance from such point in time.

13.2 Title to the Lot(s) shall not pass to the Buyer until the Auctioneer receives payment in full (in cleared funds) for the Lot(s) that the Buyer has purchased in respect of which payment has become due.
