

# Husqvarna Automower 430V NERA

**POA**

**Stock No. 51131460, 51131461**

## Status

In Stock

## Description

- High-performing wire free robotic mower
- Built to master large lawns up to 4,800m<sup>2</sup> with excellent precision.
- With virtual boundaries enabled by our included satellite-based technology, installation becomes flexible and robust.

### Requirements:

- Cellular or Wi-Fi internet coverage across the full lawn area is needed. If you do not have internet coverage, then you can purchase the Husqvarna EPOS® RS1 reference station.
- The Automower® Connect app. Available for free on the AppStore and Google Play.
