

# Husqvarna Automower 450V NERA

## POA

Stock No. 51131465, 51131466

## Status

In Stock

## Description

- High-performing wire free robotic mower built to master large lawns up to 7,500m<sup>2</sup> with excellent precision.
- With virtual boundaries enabled by our included satellite-based technology, installation becomes flexible and robust.

### Requirements:

- Cellular or Wi-Fi internet coverage across the full lawn area is needed. If you do not have internet coverage, then you can purchase the Husqvarna EPOS<sup>®</sup> RS1 reference station.
- The Automower<sup>®</sup> Connect app. Available for free on the AppStore and Google Play.
