

Hayter Hawk 43 AD 60V Kit

POA

Stock No. 545A

Status

In Stock

Description

The **Hayter Hawk 43 AutoDrive (AD) Kit** is designed for homeowners seeking a balance of convenience, performance, and precision. This package includes a **43cm cutting width** self-propelled lawnmower, a **4.0Ah 60V battery**, and a **2.0A standard charger**, providing everything you need for a pristine lawn.

Ideal for small to medium-sized gardens, the Hawk 43 AD features a **variable speed self-propelled drive system**, allowing you to mow at your preferred pace and the integrated **ribbed rear roller** delivers the classic British striped finish.

The **lightweight polymer deck** ensures easy manoeuvrability, while the **vertical storage capability** reduces the mower's footprint by up to 70% when not in use. With the **push-button start**, you can begin mowing instantly.

Features and Benefits

- The 43cm cutting width is ideal for small lawns (up to 300 square metres) formal gardens with minimal slopes.
- Reduce the storage footprint needed by up to 70%¹ by storing the mower upright.
- Let the mower do all the work. The Power Boost technology maximises run-time by providing more power only when needed.
- Self-propelled. Let the lawnmower do all of the work so you can simply walk behind and steer.

Specification

Cutter Deck Size

43cm

Recommended Lawn Size

300m²

Maximum Potential Cut Size with recommended 60V battery

4.0Ah: 900m²

Cutter Deck Material
