**Depot Collection Only**

Ex Demo leaf blower

The BGA 86 is a powerful, lightweight and easy-to-use battery-powered leaf blower from STIHL. With a low weight of 2.8 kg (not including the battery) and a blowing force of 15 Newtons (the same blowing force as the petrol BG 56 blower), it's capable of clearing leaves and dirt with ease.

When used with the recommended AP 300 S battery, the BGA 86 has a working time of up to 150 - 26 minutes. What's more, this battery provides perfect balance when used, making work even more comfortable!

**Battery and charger not included.**
